Birthday, birthday, who's got the birthday?

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Is this conversation grounds for workplace harassment? Not my half of it, of course.

Next time I walk into the local office, I'm going shirtless to make sure I comply with y'all's dress code

Duke was claiming he spent it eating Swanson's TV dinners in front of a Gremlins/Die Hard marathon.

And napping.

And yelling at the kids on the fire escape.

Do we buy it?

It's a coverup.

It was really Marie Callender's, a Meg Ryan festival, and dropping empty beer cans off the roof.

I don't know what to do about the napping, though.

Not even close. It was stir-fried marlin, and he caught the marlin himself by luring it to the boat with peyote buttons, dragging it on board with a net made of knotted clothesline, and clubbing it over the head with two volumes of the Encyclopedia Britannica.

I don't know what he would have been yelling at the kids about, though. Maybe to bring him some more peyote.

Well, it *must* be hard to come by, if the marlin was that desperate.

And what did the Cowboy say he'd been up to? (I could just ask him, but what's the fun in that?)

It smelled really great, and Chaz kept telling me it wasn't done yet, but he wouldn't let me turn up the heat. So I starved to death. I am writing this from beyond the grave.

But it smelled really good! And I wanted it **NAOW!** It is not right to make food that smells really good long before you can eat it.

(Seriously, it was a semi-painful revelation of what Prego can't do. As in, "Oh, **THAT'S** why people make their own!")
